## **IOS Love Organic**

With the label “IOS Love Organic,” our brand juices are from the best quality fruits, and made using the most advanced technology. We have the strictest certified production standards in our plants.

## **OUR COMPANY**

Has been in business for nearly a decade. We believe in eating and drinking organic, for the best health and flavor. Our mission is to serve healthy options to our consumers which are free from any additives, preservatives or artificial ingredients. We are committed to developing healthy lifestyle and environment by developing nature-friendly products.

Our organic juices, organic healthy drinks, organic seeds and extracts are derived from the best quality and healthiest fruits. Our juices are made in different regions where the fruit is famous for their great taste and health benefits.

## **OUR PRODUCTS**

Our products are made from 100% all-natural ingredients and contain NO additives of any kind: NO preservatives, NO added sugar, NO artificial colors and GMO-free. We only deal with Direct Juice (NFC) to gain the optimal health benefits from the fruits.

With pasteurization our products have an 24-month shelf life. We are pleased to offer you the finest and highest quality organic products. Our products come with the ultimate health benefits and great taste for you and your family to enjoy!

Our preserves are made from the finest organic fruit. Our unique recipe captures the best flavors of the fruit.

Our sun dried fruits preserve the best flavors and benefits of the sun and the fruit. You will be amazed how delicious they are.
